Unify

Key Features

Get your message through with EPOS Voice™

Six adaptive, beamforming microphones and DSP intelligently isolate voices from room reverb and ambient noise

Set up your conference call in seconds

With multi-connectivity, a simple user interface and one touch access to your preferred Voice Assistant or Microsoft Teams*

Rich, natural sound

Powerful ultra-low distortion speaker in a unique suspended speaker box fills the room with outstanding sound, enabling superior duplex performance that allows simultaneous speech

Expand your meetings

Attach up to two expansion microphones for larger meetings

Superior craftsmanship, statement Scandinavian design

Expertly crafted from high-quality materials and audio-optimized fabric, delivering a premium, minimalist aesthetic that elevates any space.
