

DATASHEET

Zone 305

Certified for leading business apps and calling platforms, Zone 305 is ideal for mass deployment. This ultra lightweight wireless headset features great audio and reliable connections for clear and uninterrupted calls.

logitech[®]

- **Certified for business:** Deploy the headset that is certified for *Microsoft Teams* over native *Bluetooth*[®] without a dongle¹. Zone 305 is also certified for *Microsoft Teams*, *Zoom*, *Google Meet*, and *Google Voice* with the plug-and-play receiver¹. The UC version supports call controls over native *Bluetooth* for *Google Meet*¹.
- **Be heard clearly:** Your voice is captured by dual noise-canceling mics on the extended boom, then enhanced by our custom-designed noise suppression algorithm.
- **Great audio:** The embedded 30 mm dynamic audio drivers deliver great sound quality for calls and more.
- **Ultra lightweight:** Weighing just 122 grams, Zone 305 fits comfortably on your head with its padded headband and earcups, so you can keep it on the whole day.
- **Wireless freedom:** Connect via USB receiver or *Bluetooth*[®] with a range of up to 30 meters². Get up to 20 hours in battery life for uninterrupted calls³.
- **A choice you'll feel good about:** Made with 55% post-consumer recycled plastic⁴. Replaceable earpads extend the headset's lifespan.
- **Remote management:** Logitech Sync allows IT admins to keep device software and firmware up to date and troubleshoot problems remotely⁵.
